(b) Every manufacturer or seller shall offer drugs to every purchaser, with all rights and privileges offered or accorded by the manufacturer or seller to the most favored purchaser, including purchase prices for similar volume purchases. A manufacturer or seller shall offer rebates, free merchandise, samples and similar trade concessions on proportionally equal terms to every purchaser. Nothing in the subsection prohibits the giving of a discount for volume purchases, so long as such discount is justified by the economies or efficiencies resulting from such volume purchases and such discount is made available to all purchases on proportionally equal terms.
